As of April 1, FortisBC customer bills will reflect a federal Goods and Services Tax (GST) of 5 per cent, and where applicable, a Provincial Sales Tax (PST) of 7 per cent and an Innovative Clean Energy Fund levy of 0.4 per cent. This is as a result of the provincial government's return to provincial sales tax. FortisBC collects tax on behalf of the government. For information about PST visit pstinbc.ca.

The BC Utilities Commission approved a delivery rate decrease after a review of the regulated rate of return for energy utilities, while natural gas commodity rates increased on the open market. The combined result will increase residential customers' charges by \$0.642 per GJ, or approximately \$61 per year, based on typical consumption. These adjustments to your natural gas rates are effective July 1, 2013. For further detail, see the attached insert.

Natural gas commodity rates have changed from \$3.272 to \$4.640 per gigajoule effective April 1. Residential customers' annual charges will increase by approximately 14 per cent depending on consumption. This rate adjustment is a direction of the BC Utilities Commission. For more details, visit fortisbc.com/rates.
